

# TEN GREAT REASONS TO USE A MOBILE TRAILER STAGE!

- 1) Easy to manoeuvre into position
- 2) Minimises onsite time resulting in reduced site rental and keeps road closures to a minimum
- 3) Reduced security costs due to short build up and derig
- 4) Speed of set up
- 5) “Safer in construction” - no working at heights during construction or derig
- 6) Quick to level on uneven ground and great stability once set up
- 7) Great wind resistance due to the weight of the structure
- 8) Easy rigging before the roof is lifted for branding and lighting
- 9) Solid roof as opposed to a flappy sheet with heavy load rating
- 10) Impressive and great focal point at any event
